Good morning everyone:

I did not receive a response from Jeffersonville's designated counsel so Paul Higgenbotham contacted Len Ashack and he indicated that they are currently working on a response and that the sewer board attorney had resigned and this was why things were moving slower.

Beth/ Leigh:

Have you heard any response from Mr. Scott Lewis the Sewer Board Attorney representing the City of Jeffersonville to date?

Our joint letter sent certified mail (attached) was received by them December 9, 2016 and we have received no response to our request for more information.

Please advise.

Thank you.

Regards.
